

# "יִזְדוּ לַה' אֲזוֹתָיו לְבִנֵי אָדָם"

More than fifteen students of the Yeshivat Hesder Sha'alvim entered Gaza and participated in various battles during the recent operation of the IDF to protect the residents of southern Israel from the rockets and missiles of our enemies.

Our talmidim fought under perilous conditions within various divisions including infantry, paratroopers, tanks, and home command.

With great mercy from heaven, we have been privileged to see all of them return from battle unharmed.

Therefore, we would like to express our thanks to the Master of the World and elaborate upon His great mercy and kindness which was revealed to our talmidim during the course of battle. We will gather together in praise this Wednesday, 3 Shvat 5769, January 28th 2009, at 8:30 pm in Ulam Echad.
